

A modern hotel lounge interior with a curved wall of vertical wooden slats. The space is furnished with a light brown sofa, several armchairs in white, orange, and grey, and two large, round, wire-mesh ottomans with light-colored cushions. A small wooden side table and a potted plant are also visible. The ceiling has recessed linear lighting.

COLLECTION

EKSHA

NEROLI · VETIVER

Morning light, bottled.

EKSHA begins on a terrace at nine in the morning. Neroli opens bright and green, like orange blossom still wet from the night, and vetiver keeps it grounded so the freshness lasts past the first rinse.

MADE FOR

Boutique hotels, resorts and spas

COLLECTION

H Loves

JASMINE · NEROLI

A soft hello, in every room.

H Loves is written for the moment a guest sets down their bag and exhales. Jasmine arrives creamy and warm, neroli lifts it with a clean sparkle, and the whole room feels a little more cared for.

MADE FOR

Boutique stays, honeymoon suites and guest houses

COLLECTION

La Dune

JASMINE · SWEET ORANGE · WHITE MUSK

Golden hour, carried indoors.

La Dune is the warmth of sand just after sunset. Sweet orange and jasmine open sunny and easy, and white musk settles on the skin like a clean linen shirt after a day outdoors.

MADE FOR

Resorts, desert and beach properties, villas

COLLECTION

Casa d'Arca

ROSE · LAVENDER · SANDALWOOD

The calm of an old house.

Casa d'Arca imagines a stone house with the shutters half closed. Rose and lavender soften the air, sandalwood adds the quiet depth of old timber, and the bathroom becomes the most restful room in the building.

MADE FOR

Heritage and luxury hotels, boutique inns

MINIMALIST REFINEMENT

TIMELESS HOSPITALITY • THOUGHTFUL DETAILS
A MORE REFINED STAY

COLLECTION

Archer

EUCALYPTUS • LEMON • GREEN TEA

Crisp air, clear head.

Archer is built for people who want to feel switched on. Eucalyptus opens sharp and clean, lemon brings the sparkle, and green tea keeps it calm underneath so the scent never gets loud.

MADE FOR

Gyms, wellness clubs, offices and business hotels

COLLECTION

Grottalié

CINNAMON · SANDALWOOD · VETIVER

Warm spice, cool water.

Grottalié is a cave on the coast at dusk: cool blue stone outside, a warm glow within. Cinnamon and sandalwood carry that glow, and vetiver gives the whole scent a mineral, sea-washed edge.

MADE FOR

Coastal resorts, boutique hotels, spa suites

COLLECTION

Room One

PINE · WHITE MUSK

Fresh enough for the first night.

Room One is for the guest who arrives tired and needs the room to do the rest. Pine brings forest air, white musk keeps it soft and clean, and nothing in the scent asks for attention.

MADE FOR

Business hotels, city stays and short-let hosts

Bubble bath

COLLECTION

Pranah

MINT · GREEN TEA · WHITE MUSK

Take a breath. Start again.

Prana is the Sanskrit word for breath, and this collection is built around that pause. Mint opens like a deep inhale, green tea steadies it, and white musk leaves a soft, clean calm behind.

COLLECTION

Sand

NEROLI

A shoreline, after the tide.

Sand is one note, done well. Neroli, fresh and lightly sunlit, lets the whole collection feel like the first walk along a quiet beach before anyone else is awake.

MADE FOR

Beach hotels, short stays and serviced apartments

COLLECTION

Roari

CINNAMON · VETIVER · WHITE MUSK

Warm, grounded, quietly confident.

Roari smells like a lodge fire three rooms away. Cinnamon gives it warmth, vetiver roots it in the earth, and white musk smooths the edges so it stays welcoming rather than heavy.

MADE FOR

Lodges, mountain and city hotels, club bathrooms

COLLECTION

Elleveda

SAFFRON · OUD · SANDALWOOD

Evening, at its most unhurried.

Elleveda is the last hour of the day. Saffron glows first, oud gives it depth, and sandalwood rounds everything into a long, smooth finish that feels like a well-lit suite.

MADE FOR

Luxury hotels, suites and private villas

COLLECTION

Rouge Love

ROSE · JASMINE · WHITE MUSK

Romance, without the noise.

Rouge Love is rose and jasmine at their warmest, lifted by white musk so the scent stays soft against the skin. It is a fragrance for anniversaries, honeymoons and a bath that is allowed to take its time.

MADE FOR

Honeymoon suites, boutique hotels, couples' retreats
